

The 7th Asian Congress on Environmental Mutagens (ACEM)
The 19th Chinese Environmental Mutagen Society Meeting (CEMS)
Qingdao, Shandong, China
(Second Announcement)

The Asian Association of Environmental Mutagen Societies (AAEMS) and the Chinese Environment Mutagen Society (CEMS) are pleased to announce the 7th Asian Congress on Environmental Mutagens/19th Chinese Environmental Mutagen Society meeting 2022 (ACEM/CEMS 2022) which will be held November 4 - 7 in Qingdao, China, as previously scheduled.

The theme of the ACEM/CEMS 2022 is “**The Impact of Global Change on Asian Environment and Genomic Health**”. The meeting is designed to provide attendees the opportunity to network with experts and disseminate the latest scientific developments on environmental mutagens in the Asia-Pacific region. The meeting covers the latest research progress in the environment and genomic health, frontier theory and technology. We wish to extend a warm welcome and invitation to you to participate in ACEM/CEMS 2022.

3. The congress would be postponed or cancelled due to the outbreak of COVID-19. Each participant must obey and abide by the epidemic prevention policies of the state and local governments. Should the congress be cancelled, a full refund will be made.

Special instruction for foreign guests: Foreign guests attending the Conference on-site shall strictly abide by China's prevention and control regulations against COVID-19. Starting from January 7, 2022, Qingdao city has taken the following measures for the control of COVID-19. All passengers arriving in Qingdao from abroad must report to the local epidemic control department 3 days prior to arrival (we will provide information later on). After arriving in Qingdao, 14-day centralized quarantine and following 7-day medical observation at home or hotel are required. During the 14-day centralized quarantine, 4 times nucleic tests against COVID-19 are required. At the end of centralized quarantine, the visitors will receive one nucleic test of COVID-19 and one rapid antibody test against COVID-19. At the end of the following 7-day medical observation at home or hotel, visitors will be officially released from quarantine. To avoid the troubles from the cancellation of booked flight tickets, hotels and refund of the registration fee, we strongly recommend that the foreign participants don't make a travel plan before October 1. We will inform foreign participants on updated epidemic prevention policies as soon as they are made public.

Accommodation

Due to the epidemic situation, the hotel information cannot be provided at present.
